**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm deeply concerned about proposed changes to unbundled DSL access. We have been happy customers of a local internet service provider many years and it worries me that changes will lead to price hikes or less competition in our area.

I will not do business with Comcast or AT&T. I pay more for slower internet because I value supporting a business that has my privacy in mind, that doesn't play games with pricing, and that has excellent customer service.

This unbundled service is critical to maintaining a competitive market in our neighborhood.
